www.miermans.nl

// Interests

Biclycle racing
Treasurer of the Eindhoven
student cycling club in 2013

English literature
History, science, classics

// Reference

Tim Drijvers
CTO, Coosto (parent
company of WiseGuys)

T: +3140 293 91 90
E: tim.drijvers@coosto.com
W: www.coosto.com/uk

// Education

2010-2014	**M.Sc. Computer Science and Engineering** Specialization: Algorithms	Eindhoven University of Technology
2006-2010	**Bachelor of Information Technology** Specialization: Embedded Software	Fontys University of Applied Sciences

// Experience

2012-2014 **WiseGuys** Programmer (part-time)

Programmed web spiders in Python and developed a web application based on Backbone.js, making the process of creating web spiders easier, faster and more reliable.

2011-2012 **KempenHills** Web Developer (part-time)

Developed web applications based on ASP.Net/C# and performed database management using Microsoft SQL Server.

Jan-July 2010 **TASS** Software Engineering Intern

We built a demonstration model with a digital signal processor running Linux, featuring video encoding and speech recognition.

Jan-July 2009 **Océ** Software Engineering Intern

Redesigned an embedded real-time logging library and wrote a cross-platform implementation that lowered the total CPU-load of a printing system by 4%.
